To support the growth of **Envirium Life Sciences**, we are recruiting a **Financial Manager** to join their operations in **Madang, Papua New Guinea (PNG)**.

This position is part of **Kamapim**, their program in Papua New Guinea that promotes sustainable growth and creates lasting value for local communities.

FINANCIAL MANAGER

RESPONSIBILITIES

As a Financial Manager, you will report directly to the PNG CEO and the Group CFO and play a key role in the administrative, financial, and operational management of the company.

Your main responsibilities are:

- **Financial operations** : Oversee treasury, cash flow, inventory reporting, and financial forecasting to ensure the company's financial health.
- **Administration** : Supervise administrative processes, manage payments of purchases, and ensure smooth day-to-day banking operations.
- **Accounting and control** : Monitor accounts, validate financial statements, and coordinate with CFO to guarantee compliance and accuracy.
- **HR aspects** : Contribute to HR functions such as payroll, contracts, administration, recruitment and organizational support, in alignment with the company's strategy.
- **Partnership with the PNG's CEO** : Act as the right hand of the CEO in decision-making, providing insights and reports to drive growth.
- **Leadership as a local back-up of the PNG CEO** : Manage, delegate, and motivate teams while ensuring high standards of discipline, trust, and integrity.

PROFILE

- Minimum **5 years' experience** in finance, banking, accounting, or managerial roles.
- Degree in **Accounting, Finance, or Banking** with CPA certification.
- Solid background in financial and banking efficiency and operational excellence.
- Proven **leadership experience**, able to delegate and manage diverse teams.
- Strong MS Office skills (Excel, Teams) and experience with cloud-based systems.
- Excellent level of **English** (both written and spoken).

OFFER

- A key and diversified **leadership** role working with the local CEO and Group CFO.
- The opportunity to shape and influence the **PNG strategy** of the company.
- **Career growth opportunities** within an **ethical, ambitious and growing organization**.
- A **dynamic** and **collaborative** work environment.
- A **competitive salary and benefits package**.
